

LOADING LIFT TABLES

GANDHI
Automations Pvt Ltd

India's **No.1** Entrance Automation & Loading Bay Equipment Company

EUROPEAN COLLABORATION AND TECHNOLOGY WITH INNOVATIVE AND CREATIVE ENGINEERING FOR MORE THAN 25 YEARS

Quality & Safety - Our Priority

Loading Lift Tables are CE certified, manufactured in accordance with

STANDARD
EN 1570-1

DIRECTIVES : 2006/42/CE

Gandhi Automations develops and manufactures its products strictly in line with these standards. You are continuously assured safe operation with regular use, assembly and maintenance.

ISO 9001 : 2015, ISO 14001 : 2015
ISO 45001 : 2018

A PARTNER WHO STANDS BY YOUR SIDE

ORIGINAL SPARE PARTS
Guaranteed original spare parts availability for 10 years

Our tables comply with the European Safety of Machinery standards EN 292, Machinery Directive 2006/42/CE and Safety requirements for lift tables EN 1570.

All models include:

- Aluminium safety bar, stopping descent of the platform on contact with obstructions
- Safety clearance between scissors to prevent trapping during operation
- Safety check valve to stop the lift table lowering in the unlikely event of a hose break
- Protection against overloading
- Low voltage control box with up-down buttons and emergency stop
- Maintenance props (for safe maintenance operation)
- Removable lifting eyes to facilitate handling and lift table installation.

Our Quality For Your Safety

Gandhi Automations Pvt Ltd is India's No.1 Entrance Automation & Loading Bay Equipment Company. Since 1996, we have been designing, manufacturing, exporting and installing products that are problem free, safe and easy to operate. This is achieved due to years of hard work, innovation, commitment to quality & reliable customer service.

Our comprehensive product portfolio consist of a range of solutions :

High Speed Industrial Doors, Dock Levelers & Dock Shelters, Rolling Shutters, Sectional Overhead Doors, Aircraft Hangar Doors & Shipyard Doors, Gates & Boom Barriers

Head Office

Headquartered in Mumbai, the commercial capital of India, the company has expanded its manufacturing capacity, operations, geographical reach and customer base globally. Today our products are marketed by us and our distributors in more than 70 countries across the globe.

Competent Advice

Proper customer guidance and service are our top priorities. Our well trained and experienced specialists are always at your disposal from the project planning stage to final building inspection. They help you choose a perfect product solution tailored to meet your requirements.

Quality Management

The company caters to following certifications : ISO 9001 : 2015, ISO 14001 : 2015, ISO 45001 : 2018 by TÜV Nord. This has resulted in implementing continuous improvements towards personnel training, production, equipment calibration, machinery maintenance, logistics and customer relations.

Advance Manufacturing

Our strategically located state of the art manufacturing and warehousing facility of 4,00,000 sq. ft. near Bhiwandi (40km NE of Mumbai) ensures high-quality product outputs and short delivery times.

The innovations and creative engineering applications of Gandhi Automations is a result of extensive and accurate in-house research and development.

All essential product components & accessories as well as control technology units are designed in-house and produced using European collaboration and technology.

Our product engineering team uses latest software combined with advanced machinery to offer our customers an excellent engineered, efficient and finished product.

Installation, Commissioning & Service

Our team of committed and diligent engineers and technicians are at your service continuously; many of whom are trained at advanced training centers in Europe so as to ensure perfect installation and trouble-free commissioning according to the specifications thus assuring product reliability and longevity.

Packaging & Dispatch Area

Special care and necessary precaution is taken while packaging our products for dispatch to the installation sites. Each consignment is supervised by a team of experts who ensure that material is dispatched efficiently and promptly.

Dynamic Customer Service

Our Customer Care team offers 24x7 service. We lay great emphasis on exceptional aftersales service and provide Spares, Preventive Maintenance and Annual Maintenance Contracts for minimum downtime ensuring durability and drive maximum ROI.

Our widespread service network assures response time to be minimum.

In rare case of any product failure, all you need to do is reach for the telephone.
